Electronic Payment of Donations (EPay)

Divine Mercy Parish has a procedure whereby you can make your donations to the Church electronically through your financial institution. Most banks and credit unions provide this service, in many cases free of charge. EPay enables you to make your donations without the need to write a check or use an envelope.

If you do your banking on the Internet, you can easily establish the needed payee information on your computer. Simply follow your bank's EPay instructions to establish the account. If you do not bank by internet, contact your bank to find out how to set up an EPay account.

The required information is generally as follows:

Payee Name: Divine Mercy Catholic Church

Payee Address: 2231 Club Center Drive
Sacramento, Ca. 95835

Account Number: Your account number is **your envelope number** followed by the type of donation you want to make. A separate Payee account needs to be established for each type of donation. For example:

000 Offertory Donation
000 Building Fund Donation
000 Capital Campaign Pledge Payment
000 Christmas Donation, etc.

Nickname: Any Nickname you choose to help you identify the Payee on your system such as DM Offertory or DM Building.

Once the EPay account is established, you can schedule single payments or recurring payments as you wish, and the amount will be sent directly to the Church. Most banks allow you to schedule recurring payments at a weekly, bi weekly, semi monthly or monthly basis and you can change the frequency or amount at any time.

Please consider using the EPay system which simplifies the process for both you and the Church. In addition, it enables you to meet your obligations to support your Church even when you are unable to attend Mass.

If you have any questions about EPay, please call Ray Gump at 419-4072.
